**October 31 marks the 500<sup>th</sup>** anniversary of the Protestant Reformation. Each Sunday in October, we are exploring the central truths of the Reformation and how they are foundational to our lives today. The Protestant Reformation created a radical upheaval in the Church as God's people rediscovered God's Word, the early Church and how to be reconciled with God.

**To become more familiar** with the history and beliefs of the Reformation, we have DVD copies of "Luther", a full length Hollywood feature film portraying the life of Martin Luther and also DVD copies of "Calvinist", a new film exploring Reformed teaching in a relevant and engaging way. We urge small groups, families and individuals to consider watching one or both films during October. May God use them to stretch and lead us to more deeply love Him with all our heart, soul, mind and strength. Email Pastor Dan to reserve your copy at [pastordanno@gmail.com](mailto:pastordanno@gmail.com).
